

Mike Minks
Chief Information Officer
Seton Healthcare Family, Ascension Health

Mike Minks is the Chief Information Officer for Seton Healthcare Family in Austin, Texas. Prior to holding that position, Mike held the position of Director of IT Operations at Seton Healthcare Family. In that role, Mike was responsible for the general improvement and optimization of the day to day support for the computer systems, networks and application solutions in use at Seton.

Previous to his current appointment, Mike had leadership positions as part of Perot Systems and Dell Services supporting Jewish Hospital and St. Mary's Healthcare in Louisville, Kentucky, MacNeal Hospital and Louis A. Weiss hospitals in Vanguard Health's Chicago Market and HPA's hospitals in Houston, TX. Mike began his healthcare IT career at the Hillcrest Healthcare System, consisting of two urban hospitals and nine rural hospitals in and around Tulsa, OK.

Mr. Minks possesses a Master's of Business Administration from the University of Tulsa and a Bachelors degree in Broadcast Journalism from the University of Nebraska-Lincoln. He is a member of Health Information Management Systems Society (HIMSS), College of Healthcare Information Management Executives (CHIME), Society of Information Management (SIM), and the American College of Healthcare Executives (ACHE).
