Michael Seda

Michael Seda is the Director, Regional Operations, of the Tiger Institute. Seda joined Cerner in June 2010 as a business developer. In this role, he served in a variety of capacities supporting the regional growth strategy of MUHS. His duties also include provider network development, affiliate support, employer and community wellness initiatives, and care delivery supported through technology.

Seda helped lead the development and growth of the Tiger Institute Health Alliance health information exchange.

Prior to joining Cerner, Seda came to the Tiger Institute from BJC Medical Group in St. Louis, Missouri. He served as director of Physician Services where he was responsible for practice operations of more than 80 primary care and specialty practices. Prior to that, he served as the Chief Executive Officer at Sioux Center Community Hospital and Health Center/Avera Health in Sioux Center, IA.

Seda is a Fellow of the American College of Healthcare Executives and holds a master of health administration and master of business administration from the University of Missouri in Columbia, Missouri.
